## FINANCIAL AND COMMERCIAL.

THURSDAY, June 2-6 P. M. Wall street continues exceedingly duit. The prin-cipal operators have been absent at the Prospect Park races, while from London comes the same story of duiness, owing to the diversion of attention to the Derby.

THE STOCK MARKET STRONG. The stock market continues very strong on a limited business, the chief transactions occurring between prominent brokers, making what outsiders designate a "brokers' market." The public are still waiting for the final dismissal and removal of the financial measures pending in Congress, and the speculators are quietly and steadily advancing prices, in the expectation that when activity returns the public will be forced to take hold at much higher prices—a matter, by the way, which the aforesaid public will not have done for the first time, should they do so now. The revival of the Funding bill produced a flurry in prices this forenoon, and the whole market be-came weak; but on the explanation that the Funding bill is one virtually inoperative prices railled again. Later in the day, on the announcement that at the annual election for directors of the Chicago and Northwestern Railway in Chicago to-day the so-called Rook Island had been successful and the St. Paul party beaten, Northwest and Rock Island ad-vanced quite sharply and rendered the market strong and buoyant, except for Lake Shore which fell of from the best prices of the day, the rest of the railways generally closing at the highest prices of the day. Reading was an especial feature and sold at 109. Western Union declined to 31%, owing o the passage of the July dividend. The speculation in Pacific Mail was less animated, but the price was strong at the close. New Jersey Central was firm at a decided improvement. The investment shares were strong and higher, particularly for Fort Wayne and Chicago and Alton. Toward the close there was some activity in Boston, Hartford and Erie, which advanced to 5% on the news that another bill more favorable to the stockholders than the one last reported is about to be introduced in the Massachusetts Legislature. The following were the closing prices at the last session of the Stock Exchange:-Canton, 68% a 69%; Cumberland, 40 bid; Consolidated Coal, 25 a 263%; Western Union, 31% a 31%; Quicksilver, 8% bid; Mariposa, 6% a 8%; do. preferred, 15% a 19%; Atlantic Mail, 20% a 31; Paoific Mail, 43% a 44%; Boston Water Power, 17% a 18; Adams Express, 63% a 63%; Wells-Fargo Express, 15½ a 15½; do. scrip, 3½ a 3½; American Express, 44½; United States Express, 45 bid; New York Central consolidated, 101½ a 101½; do. serip, 95% a 95%; Hariem, 143% a 144; Eric, 23% a 24; Reading, 108 % a 103%; Michigan Central, 123 bid; Lake Shore, 98% a 98%; Illinois Central, 129 bid; Cleveland and Pittsburg, 109% a 109%; Chicago and Northwestern, 82% a 82%; do. preferred, 90% a and Northwestern, 824 a 824; do. preferred, 60% a 80; Rock Island, 120% a 120%; Milwaukee and St. Paul. 66 a 66%; do. preferred, 8134 a 81%; Toledo and Wabash, 56% a 66%; Fort Wayne, 96% a 96%; Ohio and Mississippi, 40% a 41%; Delaware and Lackawanna, 1104 a 112; New Jørsey Central, 109% a 109%; Chi-cago and Alton, 117% bid; do. preferred, 118% bid; Morris and Essex, 93% bid; Hannibal and St. Joseph, 117 a 118%; do. preferred, 116% a 118; Iron Mountain, 46% a 47; Boston, Hartford and Eric, 4% a 4%; Columbus, Chicago and Indiana Central, 1914 a HIGHEST AND LOWEST PRICES.

GOVERNMENTS STEADY AND STRONG. The government market was strong at the open-

ing in sympathy with the firmer tone of the gold market, but became heavy at noon on account of the large offerings to the government at the Sub-Treasury. They lost this feeling later in the day, and closed strong at the highest prices of the day, as follows:-United States currency sixes, 113% a 113%; do. sixes, 1881, registered, 113% a 114; do. do., coupon, 117% a 118; do. five-twenties, registered, May and November, 111% a 111%; do. do., 1862, coupon, do., 112% a 112%; do. do., 1864, do. do., 111% a 111%; do. do., 1865, do. do., 111% a 111%; do. do., registered, January and July, 110% a 110%; do. do., 1865, coupon, do., 114 a 114%; do. do., 1867, do. do., 114% a 114%; do. do., 1868, do. do., 114% a 114%; do. ten-forties, registered, 108% a 108%; do. do., coupon, 108% a 108%. FOREIGN EXCHANGE FIRM.

The foreign exchange market was steady and after the steamers dull. Rates for continental bills show firmness, at a slight advance. The closing quotations were as follows:-Sterling, sixty days, commercial, 109% a 109%; good to prime bankers', 109% a 110; short sight, 110% a 110%; Paris, sixty days, 5.18% a 5.13%; short sight, 5.13% a 5.10%; Antwerp, 5.18% a 5.13%; Switzerland, 5.18% a 5.13%; Hamburg, 35% a 36%; Amsterdam, 40% a 41%; Frankfort, 40% a 41; Bremen, 78% a 79%; Prussian thaiers, 71 a

GOLD DULL AND STRONG. The gold market was strong but very dull. The extreme fluctuation in the price was only a quarter per cent. The large shipment of specie to-day had little effect. The summer export of specie seems to have been discounted, while the operators for a decline are selling quite confidently on the outcome of thirty-five millions of gold from the Treasury a few weeks hence in payment of the July interest on the

The special committee of the Gold Exchange, including the Secretary of the Board, Mr. Thomas P. akers, have prepared the following memorial, which has been generally signed, and which they will present in person before Congress:-

will present in person before Congress:—
To the Honorable the House of Representatives of the United States, in Congress Assemiliary.—
Your memorialists would respectfully represent that the proposed increase of the burden of taxation upon contracts for the sale of coin and stocks, through a clearing house, would, in their judgment, be impolition the part of the government, and greatly injurious to a large class of the citizens of the city of New York, for the following reasons, to wit:—
First:—It would totally destroy a system which time and experience have demonstrated to be of vast utility.

Scone—it would subject the financial interests of

the great body of bankers and brokers in the city of New York to great risk and inconvenience.

Third—It would give to eight or ten large capitalists a monopoly of the business now carried on by more than one thousand undividuals.

Fourth—It would greatly diminish the receipts of internal revenue derived from this source, which, under the present system, yields to the government a larger sum of money than is obtained from the same number of persons in any other branch of business.

Wherefore, for these and many other branch of business.

Wherefore, for these and many other reasons which cannot be conveniently enumerated here, your petitioners pray that the proposed ameadment nacreasing taxation, as set forth above, be stricken from the tax bill now pending in your honorable body.
